States of Burma

Pray

- Pray for the relief teams that hike into areas of conflict to provide material, spiritual and general aid to the victims of the abuse and exploitation of the Burma Army.
- Pray for courage, wisdom and strength in all situations.
- Pray that the relief teams will be able to bring love, help and hope to the most needy.

Pray

- For all who are persecuted for their faith in Burma.
- That the Christian Church will be strengthened in its ability to shine the light of God's love and truth in Burma.

Pray

- For the pastors, who are often singled out and attacked by Burma Army soldiers when they first enter a village.
- For strength, wisdom and hope among people of all faiths who live under direct control of the military dictatorship in Burma. Pray that they will be unified and encouraged by their efforts to serve one another through love and perseverance.
